

This is the list of shrubs which have been ordered thus far this year. Most are in stock now. Once we receive the bulk of our truckloads of our trees, shrubs and evergreens we will produce an in-stock list. Until then, with trucks arriving nearly every day, it is best to phone (613 599 3419), email info@makeitgreen.ca or just come to the store to see what has arrived. We will continue to add to this list as more shrubs become available from our growers. If you are looking for a shrub not on this list, please email us and we'll let you know availability and price.

Please consider our Make It Green card which can save you 10% on your purchases of plants and other products for a year. The card costs \$35 and makes sense if you are planning to spend more than \$350 on product at our store during the next year.
