

Trees on Order or Available to Order Apr 8, 2025

We will continue to add to this list as more trees become available from our growers. If you are looking for a tree not on this list, please email us and we'll let you know availability and price.

Please consider our Make It Green card which can save you 10% on your purchases of plants and other products for a year. The card costs \$35 and makes sense if you are planning to spend more than \$350 on product at our store during the next year.

#### Terminology:

g: Pot size in gallons. The actual size is only around 70% - ie a 10 gallon pot is in fact only 7 gallons in volume

1.5g/2g: when plants in 1.5g and 2g pots are the same age they are the same price

3g/4g: when plants in 3g and 4g pots are the same age they are the same price

000cm: Minimum size in centimeters measured from the point where the plant comes out of the ground

000cmh: Width of a the "head" of a grafted standard - 30cmh means at least 30cm wide at the narrowest part

(std): grafted shrub or evergreen where the top part or head has been grafted to a compatible stem/rootstock

(treeform): trained shrub where only the strongest stem has been kept and grown on for a few years

(shrub): for plants also available as treeform used to indicate that it is not treeform

(clump): more than one plant in close proximity such as 3 stem Birch clump

(single stem): used where a plant might be commonly sold in shrub or clump form. Indicates one stem only

(low branched): single stem but branches start near the ground

x: A hybrid plant crossing two or more related species

(PW): Proven Winners brand

(FE): First Editions brand
